### TOGETHER WE DO IT BETTER

...with over 700 great looking HARD HATS showing SMACNA Detroit and Local #80 logos side by side. These Bullard hard hats are the finest, safest and highest quality hats on the market. They are the most comfortable and we have made them look great.

Once again, SMACNA and Local #80 have joined together to present a united front at all of our job sites, in the shops and in the field. The unique blue color and silver detail on the logo emblems bring a touch of class to the hat, making it extremely identifiable wherever it is.

We urge all contractors to purchase these hard hats at the very low price of \$8 per hat, which includes the suspension piece and the TOGETHER WE DO IT BETTER logo. You cannot go anywhere else to buy this quality and style – an \$18 hat – for this price. SMACNA is underwriting the difference in cost. **Don't let your workers be the only ones without these hats.** You won't be sorry.
